

CERTIFICATION OF CPNI FILING – FEBRUARY 6, 2006

EasyTEL Communications Carrier Corporation

EB Docket Number 06-36

In accordance with Section 64.2009(e) of the Commission's Rules [47 CFR 64.2009(e)], the undersigned hereby certifies as an authorized representative of EasyTEL Communications Carrier Corporation (EasyTEL) and as someone who has personal knowledge, that EasyTEL has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules and regulations as follows:

1. EasyTEL only uses, discloses or permits access to CPNI received or obtained by virtue of its provision of telecommunications services for the purposes explicitly authorized in the governing statute and rules, including the provision of the telecommunications service from which such information is derived, and the provision of services necessary to or used in the provision of such telecommunications service.
2. EasyTEL uses, for example, CPNI in order to initiate, render, bill and collect for telecommunications services provided. EasyTEL may use CPNI in order to protect its rights or property, or to protect users and other carriers from fraudulent, abusive, or unlawful use of, or subscription to, such services.
3. EasyTEL has not used nor does it currently, disclose or permit access to CPNI for the purpose of marketing services outside of the categories of service to which the customer already subscribes. EasyTEL does not use, disclose or permit access to CPNI to identify or track customers that call competing service providers. EasyTEL does not sell CPNI to other entities.
4. EasyTEL does not use CPNI in any manner that would require customer approval under the Commission's rules; therefore, EasyTEL does not currently solicit customer approval for use of CPNI. Also, since EasyTEL does not use CPNI for sales and marketing purposes, EasyTEL does not maintain records of any such campaigns that use CPNI. Should EasyTEL ever intend to use CPNI in a manner that would require customer approval, EasyTEL will implement systems by which the status of a customer's CPNI approval can be clearly established prior to such use of the CPNI.
5. EasyTEL trains its personnel as to when they are, and are not, authorized to use CPNI, and has a disciplinary process in place for violations of its rules.
6. EasyTEL has supervisory review process to ensure its compliance with CPNI requirements for any outbound marketing situations.

This certification covers the period of January 1, 2005, through December 31, 2005.

T. E. Kloehr, President

Dated: February 6, 2006
